Hamble Lifeboat Limited is a Registered Charity being one of Britain's **69 independent lifeboat stations** who along with the better known RNLi vessels assist all those in distress. All lifeboats operate under orders from H.M. Coastguard and Hamble is one of the busiest lifeboats in the country.

Finance for the purchase of boats, equipment, maintenance, operation and storage amounting to over £25,000 per year has to be raised mainly by supporters. All Crew and administration is done by unpaid volunteers. We are appealing to **all river users** to enable us to keep a Lifeboat for the benefit of all in and around Solent waters.

The Lifeboat Crew give total commitment to providing a quality Rescue Service. The service is designated as a "Declared Facility" which means a full 24 hours service throughout the year by highly trained but unpaid professionals.

If you or your family sail from the Hamble River – sailboards, dinghies or cruisers – you could need a Lifeboat some day. We must all ensure that it is here to respond. You can help by joining HAMBLE LIFEBOAT 200 CLUB.

The cost is only £5 per month, payable by standing order. There is a monthly draw to win one of three prizes. Full membership will result in prizes of £250, £100 and £50; pro rata in interim. Please join **today** by returning the section below to:
